## Horse Showing

Lessons students are welcome to participate in the 2010 show season. Jodi needs a week's notice in order to show. See your instructor or call Jodi for more details.

## Summer Camp

This year's camp is scheduled for the last full week in June, June 21-25. Registration begins May 5<sup>th</sup>. See your instructor or Jodi for a flier.

## "The Mill Series"

Clayton Ridge will be hosting Mill Series Shows again this year. Volunteers are much needed! Planning and setting up begins in early May. Please contact Jodi for more details.

## Farrier

Stephanie T. is now holding for Todd. Holding fees can go in the black box (if cash) and checks for Todd can go in the clear plastic sleeve on the clipboard. The sign-up list is on the dry-erase board in the Upper Barn. All money due must be left or your horse may not get done.

## Bathing

Two new wash stalls are in the making. In the meantime, please try to avoid already muddy areas when bathing your horse. Please also have a helper hold your horse or "pretend" tie your horse to the fence so as not to break fencing.

## Misc.

Horses will be switching stall schedules soon, notes to be posted.

Please take your winter blankets home for the season. Also please make sure all full care horses are turned out with a break-away halter.
